- Give an example of how someone within the past month has affirmed a gift of yours.
- Each person should suggest at least one spiritual gift they see in the others in the cluster and why.
- What gift do you wish you had? Why?
- What gifts do you believe are essential for others on your team to have in order to complement your gifts?
- How have you developed the gifts you have?
- How has your personality, situation in life, background and maturity in Christ influenced how you use your gifts?
- How is your calling dependent on the specific gifts you possess?

- How do your gifts influence how you share the love and life of Christ with those who do not know him?
- How do your gifts influence the way in which you seem to connect with God?
- How do your gifts influence the way you grow in becoming like Christ?
- Can you give an example from your ministry when someone has gift-projected their gifts onto you? In other words, can you give an example of a time which someone expected you to do ministry in a manner that they wanted because it was their gifts (e.g. "in this church we should do more_____").
- Can you think of a time when you have projected your gifts on to another's ministry?
- What gifts do you think are most critical for a pastor today?
- Who in your cluster has gifts you envy?
- Why do you think God didn't give you those gifts?
- What gift(s) are you most thankful to God for?
