Around the State.....

Community Chapel 1st COG, Mount Dora, FL has just been blessed by God with the donation of a piece of property adjacent to the church property. The property has 2 buildings standing on it that were at one time a County Fire Department. One is wooden building 30X60 and the other is a 3 bay all metal garage building that at one time housed 3 Fire Trucks. The 2 buildings have been converted into our Thrift Store that is operated by our ladies with the help of a few of the men. We now are able to take large pieces of furniture and appliances to sell. The buildings are located right on Old Hwy 441 next to the church. A little remodeling and painting and they are now in operation. They are just open on Saturdays during the summer months but we plan on opening them Friday and Saturdays this fall. The property was appraised at \$450,000. Since moving to our new location we have been able to help 4 families that have either come upon hard times or have lost their homes due to the tornadoes. We have helped them with furniture, clothing, kitchen items, washing machines and many other items. We are planning a dedication service on September 16 as part of our A.M. Service. The grand opening will take place in October or November when our some of our northern friends return.
