**New in 2007, From
Florida Church of God
Ministries**

We hope and pray that your new year has started off with His blessings! In recent feedback, we have learned that one thing that we need to improve upon is communication. Therefore, we have found a service called "constant contact" in which we will attempt to send at least a weekly "blurb" of what is going on in the state and things that you need to know about!

We welcome your suggestions and feedback. If you talk with a pastor in Florida who is not getting this - please have them send an email to maggie@flcog.org to update her with the email address. Thanks!

"FaithRaising"

If your church is thinking about doing a capital/building campaign anytime in 2007, now is not too early to begin talking about it. Doug Talley would be happy to meet with you and/or your church board to give an overview of the campaign FLCOGM offers to our churches. It is based on proven campaign principles and Doug would serve as your church's personal consultant. Give Doug a call at the MRC or email him at doug@flcog.org.
