INVITATION TO ALL PASTOR'S WIVES

The 2008 Pastor's Wives Retreat will be held on October 10th - 12th at the WordSpring Discovery Center located in southeast Orlando. The Center is an extension of Wycliffe Bible Translators. The weekend will provide a variety of ways to strengthen

your relationships with God and others as well as offering lots of fun and laughter.

We will be spending some time with Beth Moore, via DVD, learning how to love the people in our lives - even those who are humanly impossible to love. As pastor's wives, these kinds of lessons are vital for healthy, effective ministry.

Mark your calendar and join us for a weekend that you won't soon forget!

Register before September 1st for the early bird fee of \$90. Click here for the registration form and more information.

Send us your news! We want to share the joy with others...send your article and pictures (jpg format please) to rebecca@flcog.org. Articles may be subject to editing.

Churches in China Need Assistance!

Project Partner, a ministry arm of the Church of God, makes the following request:

Wanted: churches in the U.S. who are willing to partner with churches in China. Many churches were destroyed in the recent earthquake. Our ministry partners in China said they know about 150 church buildings that were destroyed. We are seeking U.S. churches who will help rebuild these buildings and/or support the pastors of these churches. It costs about \$5,000 to build a church building. In about 90% of the cases they'll need to rebuild the buildings because the damage is beyond repair. Will you or your church consider a partnership to help the churches in China and the body of believers?

A church could also partner by providing the annual support of a pastor and his/her family which is only \$600. The average family income in China is \$1200 annually. Many pastors receive less than half of this amount annually.

Of course, we welcome any amount a church can give. Project Partner is willing to give 100% of funds raised for earthquake relief directly to China. Donations can be sent to our mailing address listed on our website (<http://www.projectpartner.org>) or simply visit the website and give online, noting Earthquake Relief.
